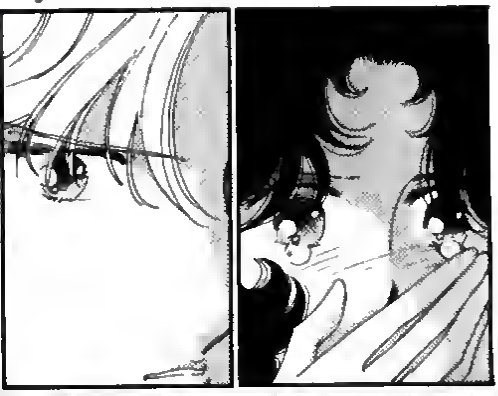
湖之都
CHAPTER 8 CAPITAL OF LAKES

I'm sure Sazit will be fine
He's from the navy
Even a fall like that, wouldn't kill him
is in Sazit's mother's place in Srinagar
That means Shin...
He said he wanted to see our son there

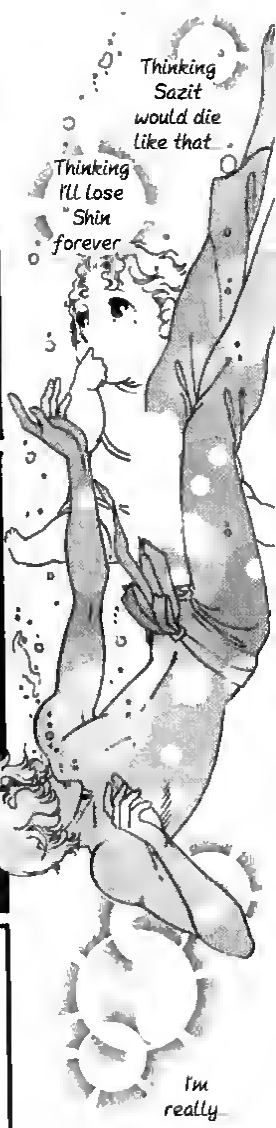
I have to go to Srinagar.
Sazit said it's the capital of many beautiful lakes
One of our comrade is ahead.
We'll stay there tonight.

Will you go with me to Srinagar?
Following independence revolution ...
...and getting connection to them...
...are my duties.
Hire a tourguide who knows English ...
...and go to Srinagar
Can you do that?
Just alone?

...on their way...
But Shin and Sazit definitely are...
It's a bit scary...
to his mother's place.
No problem
Of course ...
They're definitely still alive
I feel like they are unsafe.
If I don't believe...
You have to tell me
In case both Sazit and Shin aren't there
They'll definitely come



I...
I really want to go with you..



Thinking Sazit would die like that
Thinking I'll lose Shin forever
I'm really

It's when I saved Sazit
Is that hemmo-rhage?
Masao-mi, Some-thing's wrong with your wrist?
Ah..
Maybe I thought too much
But you do seem not well somewhere
Before, the India doctor also said that
If you work too hard, it's not good for your health

Shojo Manhwa Night
If you're not well, you have to see a doctor They fight independently, like guerillas
But don't be too hard on yourself
I know this is your mission

You know how cruel it is...
No need to be nice to others
It's enough for you to worry about Sazit and your son!
Masao-mi?
Masao-mi!
But...
Can't I worry about you?

You have to protect yourself.
Know how to use it?
When necessary just pull the trigger.
Remember, your arms must be straight.
Two legs are equal to the shoulder
Push the safety down...
Loose your hands ...
Shoot!!

Stay calm.
Breath.
It's not only about shooting.
It's a killing machine
Be careful using it.
Just be at ease and shoot.
Like snow flower drops at night.
Hold your breath.
Well done!

Shojo Mission Scans
Masao -mi...
Do we really have to say goodbye here?
.....
After being with them for a month, I myself will go to Srinagar.
Kidom, we have to go.
I'm coming
Sazit, Shin and I will wait for you.
You have to come!

Huh?
Coming to the town...
Can you find a good doctor for me.
I want to know if I am okay.
I know.
You have to!!

SRINAGAR

Ah...
You're awake
Are you cold?
We're already at Srinagar
Put this on
Sri...
...nagar?
SRINAGAR 52KM
Hey Hey!
Aren't they Amal and Kmaran, are they?

Single Flashback Scene
...also a bandit arrested with you?
Is he...
You're alive. I heard that there are more than a hundred political prisoners in Alhabot who were rescued.
Nailu!
I didn't know you were one of them.
!
He must be a political prisoner.
He has many injuries by torture.
I thought maybe we could get something from him so I picked him up.
He flew in the Ganges River, we thought he was dead.
No.
He keeps saying, "I have to go to Srinagar"
It seems his background is really terrible.
I think he lost his memories

Shojo Affection Scene
Thank you Naiku!
He seems to be useful, just take him back to the headquarters.
Uhm Right now I need someone to rely on
SRINAGAR
At last I've come to Srinagar
This time I'll definitely see Shin and Sazit.

My mother's in Srinagar.
KOTO THAT'S THE PLACE THEY CALL CAPITAL OF LAKES
House of Mrs. Indira is over there...
House of president's wife?
Suzit's wife...
...is here?

She's Sazit's mother! She's so beautiful!
Yes! He did say that.
Said Shin is here with me?
Sazit said you two would meet each other here?
How could he give his grandson to me?
Sazit's father and I have some discords.

Probably not...
Is Shin here?
What about Sazit?
Probably not...
I'm not good at English
Sorry
I can't speak fluently
Sorry...
This is...

Yes, we took picture to keep it beside.
...you and Shin
...and Sazit
You are truly Sazit's wife... Koto, right?
You are "Koto" ...
I'm sorry. I have doubted you are not.
Shin's here.
I'm taking care of him.

Ah
Is Shin really here?
Ah
Ah
I'm so sorry!
Koto!
Reporting to the police, instead of helping me, they also insult me
After Sako passed away, they detested me
That's why I must not lose focus
Why's that?
No Yes
information from him...
Where's Sazti? He's not here yet?

It's a threatening letter. Someone kidnapped Shin
There's no sign of Shin and babysitting Yila.
Ma'am
There's a letter in front of the door
I'll go call Shin.
Poor you. Sazit has been in the line of death and survival. You must be worried a lot
Well done, Yila.
Is he the ex-president's grandson?

She could call the police
This time we'll get a lot.
Eventhough the president died but Mrs Indira is daughter of a richman. He has a lot of money
Don't worry. Everyone knows the local police won't help her.
HEY!
CATCH HER!
...
What? He drinks your milk, you can't leave him like that?
I myself planned for you to be his nanny.
When the money comes, can I leave with the child?
You can't kill him!
